Use the following questions to reflect on lessons from the series, *CHRISTMAS in the COVENANTS*. Ponder these during your quiet times, or use them as a catalyst for discussion with your family, friends or REALife Group.

1. A Christian enters an unconditional *relationship* with God by faith, but enjoys conditional *fellowship* with God based on faithfulness. How does this reflect the contrast between the Abrahamic and Mosaic covenants?

2. How can a father/son relationship illustrate the difference between relationship and fellowship? Have you entered a forever relationship with your Father? How would you describe your fellowship? Close? Enjoyable?

3. Review Galatians 3:23-25. How did the law show us our need for a Savior? How can demanding obedience from your children help you lead them to faith in Christ?

4. Read Leviticus 16:34 in the context of the description of the Day of Atonement. Then read John 1:29 and Hebrews 10:10-12. What difference do you see?
