**DISCUSSION QUESTIONS**

1. Read Matthew 5:3-12. How does Jesus' list of fortunate ones compare with the typical list of the world's fortunate ones? What makes those on Jesus' list fortunate?

2. How would you contrast someone who is poor in spirit with someone who might feel rich in spirit? Why does Jesus commend being poor in spirit? Which are you?

3. As you examine the eight "blessed" statements in vv. 3-10, do you see any interesting progression? Is there anything significant about the order?

4. How do the two metaphors of salt and light picture the purpose of "Kingdomality"? How are you attempting to function like salt and light in our community?
