

## Leading a REAL Minute

### Set it in the context of your friendships

“I don’t have to tell you all this, you know that our friendships here have a purpose to them because of Jesus.”

### Recall the Destination (R.E.A.L.)

“A big part of why God gave us each other inside the church is to help us grow up in Christ. You know that we use R.E.A.L. to put Jesus’ teaching on maturity into something memorable.”

### Draw attention to the focus area & the win

“This week we will focus in on ‘A’ from REAL, *Announcing the Good News*. The goal for this area of our growth is that we are equipped and engaged in intentional evangelism.”

### Ask a REAL question

“Tonight, I want us to each respond to this question: *Who are you walking across the room to that we can pray for?*”

### Lead out incarnationlly

- “This week I spent time with my neighbor Roy. I know he had some church background, but I am not confident he knows Jesus. Please pray that I could share the Gospel with him soon.”
- “I’m leading this group, but I’ve got to be honest with you. This is a big area of growth for me. Would you pray that God helps me to be more intentional in sharing my faith? I just don’t know where to start.”

### Go all the way around

“What about you, Sue? Who are you walking across the room to and how can we pray?”
